## **Washtenaw Community College Associate in Arts Degree Liberal Arts Transfer and Savannah College of Art and Design Bachelor of Fine Arts in Photography**

### **Article I Agreement on Principle**

Savannah College of Art and Design (SCAD) and Washtenaw Community College (WCC) agree that students, who choose to transfer from a community college to a senior college or university to earn a bachelor's degree, should be provided with a smooth curriculum transition that minimizes loss of credit and duplication of coursework. Therefore, Savannah College of Art and Design and Washtenaw Community College agree to create this curriculum articulation agreement for students who complete the Associate in Arts Degree Liberal Arts Transfer at WCC and transfer to SCAD to complete the Bachelor of Fine Arts in Photography. Both parties enter into this agreement as cooperating, equal partners who shall maintain the integrity of their separate programs.

### **Article II Agreement on Program Specifics**

Savannah College of Art and Design and Washtenaw Community College agree that any student who has successfully completed the minimum requirements outlined on the attached articulation guide may transfer the course credits indicated toward a Bachelor of Fine Arts in Photography at Savannah College of Art and Design. Students who follow this articulated program agreement must apply and be admitted to Savannah College of Art and Design. WCC students will receive equal consideration with other students seeking admission and financial aid.

Faculty and staff at both institutions will share the information in this agreement with interested and qualified students and both institutions will provide counseling and advising to students and prospective students.

**Article IV**  
**Maintenance and Review Procedures**

At least one administrative or faculty member from each institution will be appointed to act as agents for the implementation of this agreement, to speak for the institutions and to communicate changes to respective faculty members, advisors, counselors, and others to whom the information is pertinent.
