

Title: Musical Terms and Visual Associations

Description: Create visuals for five musical terms.

Procedure:

- From the following list of musical terms, select five:

Accent, Amplitude, Chord, Counterpoint, Cues, Duration, Improvisation, Intervals, Legato, Melody, Ostinato, Pitch, Polyrhythm, Rhythm, Staccato, Syncopation, and Timbre.

- Research the internet for visual images that best represent the musical term selection.

• Bring these images into Photoshop and modify the original image to further reinforce your slant. Scale the graphics to similar dimensions.

- Add the title of the musical term and its definition to the graphic

• Assemble all five visuals on an 11" x 17" page. Print on the Epson for placing the assignment in your portfolio.
